JACK BERMAN
PRIMARY EXAMINER

The following is an examiner's statement of reasons for allowance: The prior art does not disclose a mass spectrometry method for identifying differences in the level of one or more analytes between two or more sample sets by determining relationships between corresponding signals in the spectra of individual spectra and ranking each relationship based on both within-sample-set and between-sample-set signal distributions according to the likelihood that the signal arises from an analyte having a different level between the two or more sample sets.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jack I. Berman whose telephone number is (571) 272-2468. The examiner can normally be reached on M-F (8:30-6:00) with every second Friday off.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, John R. Lee can be reached on (571) 272-2477. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
